Quick Start Guide

The screenshot shows a mobile application interface. At the top, there's a status bar with 'SIM gesperrt' and '11:25'. Below that, a yellow header bar contains 'Public' and a star icon (Favorites). A search bar with 'All' and a magnifying glass is below the header. The main content area shows a document titled 'WBT Brochure' with text about training methods. A pop-up menu is visible over the text, with options: 'Don't save', 'Save', and 'Area selection'. Below 'Area selection' are several colored squares (red, green, blue, orange). At the bottom, there's a navigation bar with 'Public', 'Private', and 'Settings' icons.

Tap the "Favorites" button to access your notes, bookmarks and highlights.

Tap and hold over the shown page to open a pop-up menu allowing to set bookmarks, add notes or highlight portions of a page.

You can highlight regions of the document with different colors.

When you save a note, this icon is shown.

Quick Start Guide

You have 2 search functions. On the left side you can search in all materials in the app. On the right side you start searching in the selected material.

Tap here to filter the material by typology (i.e. brochures, movies, pictures etc.).

When you save a bookmark, this symbol is shown.

You can backup and restore your notes, bookmarks and highlights by accessing this menu.
