

# OnlineDistanceLearning<sup>LTT</sup> (ODL<sup>LTT</sup>)

## ODL<sup>LTT</sup>

Lufthansa Technical Training is the first EASA Part-147 training organization to introduce theoretical courses for basic and type training via Online Distance Learning.

## DO YOU NEED A LICENSE?

Lufthansa Technical Training provides EASA approved and non-approved theory courses necessary to obtain and to keep aircraft maintenance licenses current according to the EASA requirements for technical personnel.

## EASA

approved courses

## CUSTOMER VOICES

“The trainer can display the training materials very clearly for understanding, and interaction with the trainer is very smooth also. So from my side, I am fully happy with this new training concept.”

“I think this a game changer.”

## ODL<sup>LTT</sup> meets AMCs

All Acceptable Means of Compliance (AMCs) for ODL are implemented.

## Why ODL<sup>LTT</sup>

### Our instructors make the difference!

Instead of just providing training material through digital channels, we have developed a comprehensive learning concept that is focusing on real time interaction between the instructor and the trainees and enables the utilization of state-of-the-art training course ware.
