

Your route to Lufthansa Technical Training in Hamburg.

By car

Leave the motorway A7 at the exit Schnelsen-Nord heading Ring 3 towards "Flughafen/Luftwerft"

By following the signs "Luftwerft" you arrive at the road named "Weg beim Jäger". Continue driving on this road until you reach the Lufthansa Base Hamburg (Lufthansa Basis Hamburg) on your right hand.

Then please turn right and drive to the visitor reception ("Besucherempfang"), where you will receive a voucher which permits you free parking at our car park (only for the first day of your course or your visit). If you are staying for more than one day we are not able to obtain free parking permission – therefore we ask you to use the public transport or the shuttle service of the hotel.

By train

You can travel by long-distance train to Hamburg Central Station. Timetable information and tickets are available from German Rail.

To get to the airport you can use the direct train connection (S1 to Poppenbüttel/Airport) between the airport and the central station. You will obtain timetable information from the city transport authority Hamburger Verkehrsverbund: www.hvv.de.

After arriving at Hamburg Airport please head for the exit of Terminal 2 (Arrival Level). There is a bus stop located at section B, between Terminal 1 and 2, where a free shuttle bus stops (Holiday-Shuttle P8/P9).
