### Public transportation / Frankfurt Card

Frankfurt Airport is situated only a few kilometers southwest of Frankfurt and is integrated perfectly into the public transportation network. The Rhein-Main-Verkehrsverbund (RMV) organizes public transport in the greater Rhine Main area and the airport/center of Frankfurt can be reached quickly and easily by public transportation. The well-developed public transportation system includes S-Bahn trains and U-Bahn underground trains, trams and buses.

A trip to/from the center of Frankfurt takes 15 minutes by S-Bahn (S8, S9). Cardholders can make unlimited use of public transport, including to and from the airport, and also get reductions of city sightseeing tours. The Frankfurt Card is available as a one-day and a two-day card and sold at the Tourist Information Hauptbahnhof, Tourist Information Römer and Airport Frankfurt (Terminal 1, Hall B).

Tours start daily at Tourist Information Römerberg and at Tourist Information Hauptbahnhof (during winter season once a day only). Several other organizations offer regular city tours, thematic city tours and Rhine-Main tours for groups and individuals.

The city sightseeing tour on board the Ebbelwei-Express (Apple Wine Express), boat cruises on the Main and helicopter rides provide an opportunity to see Frankfurt from a different angle. Many sights are situated close by the Main in Sachsenhausen and the center of Frankfurt in walking distance.
